

## January/February 2017 Adult Programs Report

We started out the year with one program, the First Thursday Film Series with Jack Rhodes.

January 5, Movie- *Fury* was attended by 79 viewers.

February was busy with a 4 week February Film Series themed: Going Places and our first Lunch & Learn of the year.

February 2, Movie- *Bus Stop*, was attended by 99 viewers

February 9, Movie- *Three Coins in the Fountain*, was attended by 93 viewers

February 14, Lunch & Learn- *The 5 Love Languages* with John & Deb Skyrms, was attended by 49 patrons

February 16, Movie- *The Narrow Margin*, was attended by 97 viewers

February 23, Movie- *Dr. No*, was attended by 94 viewers

This computes to 432 patrons served, \$330.50 in refreshment cost and \$511.73 in donations received in February alone. These two ongoing programs, Lunch & Learn and Film Series, are very popular and more than pay for themselves. Jack Rhodes and I are both ready and willing to continue both movie series next year, and are looking forward to the Fall Film Series this year.
