

Time to Discover!

For the Whole Family!

You are going on a **half-hour** walk and will write down the wildlife that you see!

Bring a notebook or pad of paper and something to write with. Be specific in what you see. (eg. 4 Robins, 2 red squirrels, 1 gray squirrel, etc.) How much wildlife will be seen? What variety? Who will see the most?

Share your outcome with us! wau@waupacalibrary.org
